### Hello Friend,

Are you ready for some adventure and a chance to exercise your faith? We have it all right here in the Expedition Bible Guides from *Discovery Mountain!*

Join Soraya, Santos, and their friends at camp in an expedition through 14 guides to get to know a loving Savior, Jesus, by studying His Word, the Bible. There will be plenty of fun activities and puzzles along the way.

As you begin each lesson, remember to pray and ask Jesus to be with you as you learn. He can't wait to be your forever Friend! And if you already know Him, we hope this course will help you grow even closer to Him.

Enjoy your expedition!

*Mrs. Jean*
