2 SCENE 2 INTERVIEW

CYRUS

Thanks Chaplain Jake.

JAKE

The school year is almost over.

CYRUS

It feels like the last day of school
will NEVER get here!

JAKE

And let's talk summer plans! What're
your plans Cyrus.

CYRUS

Well, I have to take an online class,
but then there's Camporee....I can't
wait for that!

JAKE

Me neither!

CYRUS

And then after that is the Smith family reunion!

JAKE

The whole Smith family together?

CYRUS

Oh yeah, it's going to be the best! Our cousins are traveling all the way from Honduras.

JAKE

Oh wow that's a long trip!

CYRUS

Keziah and I can't wait! Our whole family hasn't been together in forever.

JAKE

Sounds amazing, Cyrus. I miss my family sometimes, too. Thankfully Olivia lives close by.

CYRUS

Yeah. But the school year is draggggging! It feels like summer will never get here.

JAKE

And like you'll never get to be reunited with your cousins?

CYRUS

Yeah. I mean I know it's happening, my aunt sent out the invites, but I just can't wait!!

JAKE

It's kind of like the "family reunion" we were talking about in Bible class.

CYRUS

(confused)

Were we talking about a family reunion in Bible?

JAKE

Yes, see if you can remember our subject in class yesterday.

CYRUS

Ok. Um, was it...

JAKE

Come on Cyrus, we've been memorizing a verse for the last 2 weeks.

CYRUS

Wait, wait, don't tell me...

JAKE

do you need a hint?

CYRUS

Um, ah...yeah give me a hint.

JAKE

The verse starts with "If I go...

CYRUS

"If I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also" (John 14:3).

JAKE

Woo hoo, perfect Cyrus. And so...

CYRUS

Oh, the second coming of Jesus is our topic.

JAKE

The biggest family reunion of them all.

CYRUS

Oh yeah. I suppose so!

JAKE

Jesus is making preparations for us now.

CYRUS

Preparing our mansions. Sweet!
